FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: *Joint Application by SBC Communications Inc., et al. for Provision of In-Region, InterLATA Services in Arkansas and Missouri, CC Docket No. 01-194*

Dear Ms. Salas:

On behalf of SBC Communications Inc. ("SBC"), I am writing to inform you that representatives from SBC participated yesterday on a conference call with FCC Staff to discuss issues concerning the resale of DSL services. The following people participated on behalf of SBC: Priscilla Hill-Ardoin, Rebecca L. Sparks, Andrew Montalvo, Martin G. Grambow, John S. di Bene, Keith J. Epstein, John S. Habeeb, Steven D. Strickland, Richard Bunch, Scott Walker, and Geoffrey M. Klineberg. The following participated on behalf of the FCC: Michelle Carey, Scott Bergmann, Kim Cook, William Dever, Jeffrey Carlisle, Debra Weiner, Claudia Pabo, and Paula Silberthau.

In addition, I am attaching a chart requested by the FCC Staff depicting the network architecture discussed on the conference call. As reflected in the attached chart, in order for the DSL Transport service to be of any use to the end user, SBC's customer must have a connection to the ATM network to enable the traffic from the end user's premises to reach the Remote LAN or Internet Service Provider's network.

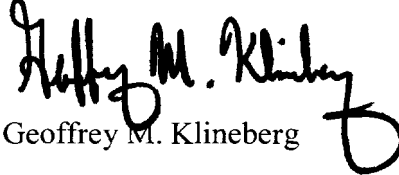

Pursuant to the Commission's rules governing ex parte communications, I am enclosing two copies of this letter and the attachment. Please file stamp and return the additional copy. Thank you for your kind assistance in this matter.
